All Members/All Members of the COA

Dear Members,

Sub : Regarding EODC Monitoring System for Advance/EPCG Authorisations

Ref. : Trade Notice No. 01 dated 04.04.2018

This has reference to above Trade notice issued by DGFT, New Delhi regarding EODC Monitoring System for Advance/EPCG Authorisations.

We wish to inform you that DGFT has developed EODC monitoring system (web site), which can be accessed at <http://eodc.online>. This system, is designed for monitoring the progress of EODC applications of Advance and EPCG authorisations.

It is to be noted that a facility has also been provided for exporters to view status of their pending EODC applications. In case, if their EODC applications are pending with RA and system is not showing it as pending, exporters can raise a query in the system and RAs would take consequential action in this matter so that such applications are entered into the system.

As this monitoring system is developed as a new standalone system, in the beginning, status related to all pending authorisations may not be visible. It is therefore requested that all exporters whose EODC cases are pending with various RAs, may feed their pending data using 'Raise Query' option. This will enable RAs to monitor and dispose their cases faster. It is advised to all authorisation holders that before raising any query, they should check the status of their applications online.

Exporters may also draw the attention of RAs in respect of their pending applications using contact@dgft service (addressed to RA concerned) through DGFT website <http://dgft.gov.in>. Any queries related to the functioning of EODC monitoring system can be addressed by email to sbsreddy@nic.in.

For complete details about Trade notice members are requested to download the Trade notice using below link- <http://dgft.gov.in/Exim/2000/TN/TN18/TRADE%20NOTICE%201.pdf>

Members are requested to kindly take note of the above and do the needful accordingly.

With best regards,
Yours sincerely,

Sribash Dasmohapatra
Executive Director

- ii. On acceptance, RA should update the status with either EODC issued/DL issued.
- iii. If no such EODC/DL issued and case is still pending, RA can accept the query and can update status subsequently.

4. As this monitoring system is developed as a new standalone system, in the beginning, status related to all pending authorisations may not be visible. It is therefore requested that all exporters whose EODC cases are pending with various RAs, may feed their pending data using 'Raise Query' option. This will enable RAs to monitor and dispose their cases faster. It is advised to all authorisation holders that before raising any query, they should check the status of their applications online.

5. Exporters may also draw the attention of RAs in respect of their pending applications using **contact@dgft** service (addressed to RA concerned) through DGFT website <http://dgft.gov.in>. Any queries related to the functioning of this EODC monitoring system can be addressed by email to sbsreddy@nic.in.
