Dear Sir(s),

Sub: Trade issues regarding CIS countries

In its endeavour to promote Plastics Exports to the CIS countries, Department of Commerce has requested the Council to provide detailed information on trade related problems / issues faced by its member exporters while exporting to CIS countries so that the same could be taken up during bilateral meeting between the Governments for proper resolution. Hence you are requested to provide the details of trade barriers with any of the CIS countries which are hindering the growth of exports to those countries.

It has been observed that our share of exports to CIS countries is very low. You are further requested to furnish appropriate reasons for such low share of trade and indicate the kind of support that may be required from the Government side.

We will appreciate to receive your reply in this regard by 20th May, 2019 on research@plexconcil.org for onward submission to the Government.

With best regards

Yours sincerely,

Regards,

Sribash Dasmohapatra
