Dear Members,

**Sub : Regarding flexibility in Maintenance of Annual Average Export Obligation under EPCG scheme**

**Ref. : Public Notice No.10/2015-20 dated 22/05/2018**

We wish to inform you that the O/o DGFT has issued Public Notice No.10/2015-20 dated 22/05/2018 regarding flexibility in Maintenance of Annual Average Export Obligation under EPCG scheme.

5.19A : Maintenance of Annual Average Export Obligation.

The excess exports done towards the average export obligation fulfilment of an EPCG authorization during a year can be used to offset any shortfall in the Average EO done in other year(s) of the EO period or the block period as the case may be provided Average EO imposed is maintained on an overall basis, within the block period or the EO period as applicable.

As an effect of this Public Notice, Export obligation under EPCG scheme has been made more flexible as non-maintenance of Annual Average in some years can be offset by excess exports in other year(s) in respect of EPCG authorisations.

Members are requested to take note of this relaxation and do the needful, wherever applicable.
