All Members/All Members of the COA

Dear Members,

Sub : Follow-up of the 22nd Session of India- Russia Joint Working Group on Trade and Economic Cooperation

We have received communication from the FT-CIS, Department of Commerce, Ministry of Commerce & Industry that the 23rd session of India-Russia Joint Working Group on Trade and Economic Cooperation (IR-JWGTEC) is scheduled to be held on 22nd May, 2018 in Moscow.

Russia has been a long standing, significant partner of India and the relationship with Russia forms a cornerstone of India's foreign policy. However Russia's plastic import from India is only 0.59% since last two years (2016 & 2017). To overcome the situation, members are requested to go through the India – Russia trade statistic (attached) and provide information on following:-

- Area of concern which members think could take up to have hassle free trade between both the countries.
- Member should provide the fact sheet about the potential to increase the export share of their product in view of the potential exist and the reason for not increasing their exports to Russia.

Member-exporters are therefore requested to revert with suggestions/ issues pertaining to Russia (preferably with specific details). Your replies be sent to bharti@plexconcil.org latest by 21.04.2018 (12pm).

Your early replies will be appreciated and enable us to represent to the ministry.

With best regards,
Yours sincerely,

Sribash Dasmohapatra
Executive Director

Remark : Members those who are interested to get attached documents are requested to drop an email immediately research@plexconcil.org
