## ***e-SANCHIT WEB PORTAL***

In pursuance to “Ease of Doing Business” initiative of the Government, the Department of Revenue has launched e-Sanchit web portal for eliminating the requirement for traders to submit hard copies of documents related to imports and exports.

*e-Sanchit* is the system introduced by the Government of India for Import/Export Cargo to reduce physical interface between Customs and clearing agents (presently carrying bunch of documents in person) and significantly reduce import clearance time by uploading digitally signed documents.

With the Implementation of e-SANCHIT the process of ***Customs clearance would undergo a complete transformation.***
